

Checklist: Migrating from Microsoft Dynamics GP to Microsoft Dynamics 365 Business Central

Migrating from Dynamics GP to Dynamics 365 Business Central is a big decision to make that will impact your business for years to come. With the right information, you can be confident in choosing the right path.

Select **YES** or **NO** to the following:

	YES	NO
You depend on large modifications and custom business logic to meet your requirements.	<input type="checkbox"/>	<input type="checkbox"/>
Your people cannot access the real-time data they need, when they need it, from anywhere.	<input type="checkbox"/>	<input type="checkbox"/>
You're consistently investing in your IT infrastructure to attempt to keep up with projects and customization requests.	<input type="checkbox"/>	<input type="checkbox"/>
You're concerned that your plans for growth and strategic initiatives could be hindered by having a legacy, on-premises ERP.	<input type="checkbox"/>	<input type="checkbox"/>
Your GP support is ending soon, and you need a transition plan.	<input type="checkbox"/>	<input type="checkbox"/>
You want to stay current on modern technology and provide your users with a modern user interface that is easy to learn and simple to use.	<input type="checkbox"/>	<input type="checkbox"/>
Your accounting team wants to leverage modern capabilities like the ability to access unlimited dimensions in the chart of accounts, integration with Excel, and the ability to edit master records on the customer card.	<input type="checkbox"/>	<input type="checkbox"/>
You're committed to the Microsoft technology stack and want to give your workforce access to all the modern Microsoft offerings that integrate with your ERP.	<input type="checkbox"/>	<input type="checkbox"/>
You want a comprehensive return on your investment in Microsoft 365 (Excel, Outlook/Exchange, Word, Teams, etc.) by ensuring there is full integration with your ERP.	<input type="checkbox"/>	<input type="checkbox"/>
You want remote access, with the ability for your people to access data and collaborate in real time from anywhere.	<input type="checkbox"/>	<input type="checkbox"/>
You are a strategic leader, and you know that it's time to set a plan that gets you to the cloud.	<input type="checkbox"/>	<input type="checkbox"/>

What have you discovered?

If you've checked yes to three or more of these statements, it's probably time to begin planning your move. Otherwise, you'll be spending money on rolling out initiatives that will be obsolete before they go live, or you'll be forever patching your system with add-ons and customizations.
